FOR IMMEDIATE RELEASE

U.S. 101/I-405 Project Closures Scheduled

Los Angeles – The northbound San Diego Freeway (I-405) connector to the Ventura Freeway (U.S. 101) will be closed **nightly** between 1 a.m. and 6 a.m. from Tuesday, August 30 to Friday, September 2.

Northbound I-405 will be closed from Sepulveda Boulevard to U.S. 101 between 1 a.m. and 4 a.m. on Thursday, September 1. The mainline and the connector will not be closed simultaneously. Work on one part of the freeway will finish before the other starts.

Detour signs will be posted.

The closures are part of a \$46 million improvement project at the 101/405 Interchange extending the current auxiliary lane on northbound I-405 past the Greenleaf off-ramp to the U.S. 101 connector, permanently closing the loop on-ramp from eastbound Ventura Boulevard and constructing the Dickens Street bypass. The project is estimated to complete in spring 2007.
